## About Your Experience

---

Capture some stunning images of your pet's unique personality with this perfect Pet Portrait gift.

We all love our pets and they are a treasured member of the family, so why not include your four-legged friend in your next family portrait?

Capturing the perfect shot of your beloved pet is a daunting task. It's hard to get them to sit still long enough or do what we want them to and the results are often blurry. So with the help of a professional photographer, equipped with the proper camera and lighting materials, you are sure to end up with a series of photos that you absolutely adore.

Whether you prefer a classic or contemporary style, you and your pet will be expertly guided by the photographer throughout to enable that your tastes and desires are catered for. The photographer will capture the best out of you and your pet.

With locations nationwide you shouldn't have to travel over an hour in order to participate in your session and viewing. Your experience will include a one hour portrait session for you and your pet at a studio and a complimentary 10"x 8" image.

Please note that only one voucher per family, per year can be used. The voucher cannot be used in conjunction with any other offer or voucher. You will be required to pay a £35 booking deposit which will be fully refunded after the experience.

A separate viewing appointment will be arranged within a week of your studio session where you will be able to select your favourite image, you will also have the opportunity to purchase any additional portraits. You will be asked to return approximately four weeks later to collect your images.

You must attend the photoshoot and the viewing in order to receive the complementary printed image and your deposit refunded. If you do not attend the viewing, you will not receive the image and the deposit will not be refunded.

SuperDog of the Month competition:

With this experience you will also have the opportunity to show your love for your dog and enter an image from your photography session into the SuperDog of the Month competition. The SuperDog of the Month competition was created to celebrate the best in dog portraiture, whilst raising money for the UK charity Hearing Dogs for Deaf People.

By entering you have the chance to win a monthly prize of £100 Pets at Home voucher, and £1000 for the overall winner in the SuperDog of the Year competition.

If you have only just activated your voucher, you're welcome to read the FAQ'S but you're not required to take any action as you will be called within 2 working days to arrange a booking.
